Collaborative Care Model (CoCM) in Texas Medicaid Billing Case Study Videos

Background:

Texas Medicaid implemented a medical benefit for the CoCM on June 1, 2022, as directed by Senate Bill 672, 87th Legislature, Regular Session, 2021. Prior to the implementation of the benefit, HHSC conducted two trainings on CoCM services for MCOs in May of 2022.

To assist providers with billing and reimbursement of CoCM services, HHSC has developed a billing case study video series that is available on the Texas Medicaid & Healthcare Partnership (TMHP) [YouTube channel](#) and on [TMHP's Learning Management System \(LMS\)](#). The case study describes how various combinations of billing codes can be used for an individual who is undergoing treatment for depression in the CoCM over the course of five calendar months. This video series has been adapted from works created by the [University of Washington Advancing Integrated Mental Health Solutions \(AIMS\) Center](#).

To access this case study and other training materials in the LMS, a username and password is required. To obtain a username and password, click on the [Don't have an account? Sign up here](#) link on the LMS homepage.

Key Details:

The CoCM billing case study video series is available to providers of CoCM services as of September 11, 2023, via the TMHP [YouTube channel](#) and [Learning Management System \(LMS\) website](#).

Action:

Users must have a username and password to access trainings in the LMS. To obtain a username and password, providers must create an account by clicking the [Don't have an account? Sign up here](#) link on the [LMS home page](#). For more information, call the TMHP Contact Center at 800-925-9126. For LMS access issues, email TMHP LMS support at TMHPTrainingSupport@tmhp.com.

Resources:

- Information about the CoCM benefit is published in [Section 9.3 of the *Medical and Nursing Specialists, Physicians, and Physician Assistants Handbook* \(Vol. 2, Provider Handbooks\)](#) in the TMPPM.
- For more information on the CoCM to include evidence base, core principles and team structure, refer to [Advancing Integrated Mental Health Solutions \(AIMS\) Center, University of Washington, Psychiatry and Behavioral Sciences Division of Population Health](#).
- The TMHP provider notification is published on the TMHP website at [Collaborative Care Model \(CoCM\) Billing Case Study Videos](#).
